

Thought Zone Quiz: Moneyland

Name: Class: Date:

You may have noticed that East Exchange's rubber band ball doubles as the most amazing slingshot. Well, believe it or not, Moneyland's top scientists and slingshot Olympians have perfected the rubber band slinging process. Now, the quickest way to South Spending is via rubber band ball. Strap on a parachute and launch towards the shores of South Spending.

Show all your work on the other side of this worksheet.

1: You only have dollars, but you need rinds to hire a parachute (to guarantee your safe landing). If you exchange \$73, how many rinds will you have? (Remember that \$1 = 350 rinds.) rinds\$

2: Parachutes cost 22,750 rinds. Do you have enough, or do you have to exchange more?
Circle one.

A. I have enough B. I need more

3: If you have enough, how many rinds do you have left? If you don't have enough, how many more rinds do you need? rinds\$

4: If you exchange the above rinds back into dollars, how many dollars will you have? \$

Are you thirsty? Luckily Bob has set up a second cordial stand around the corner. But you'll have to help him settle a dispute with Renee before you can buy a glass...

5: Renee and Bob can't agree on the meaning of value. Define **value**:

6: Renee found a stash of cowries, rinds, ringgits, and gold. What do these things have in common?
Circle one.

A. They have all been forms of currency C. They earn interest automatically
B. They weigh more than 2 20 cent coins D. Each is worth less than a dollar

We're almost ready for takeoff. Just one more thing: Malik needs some help getting a job. He has a few options for work. Match his skills with the job that they're best for:

7. Parachute packing	A. Expert mathematician
8. Rubber band delivery	B. Very organised
9. Collecting entry fees	C. Good with kids
10. Babysitting	D. Rides bikes well

11: If Malik charges \$8 per hour and works 14 hours, how much money will he earn? \$
